NEWS RELEASE For Immediate Release

RESTON, Virginia, March 25, 2006 – The International Technology Education

Association recently honored Gary Wynn, DTE of Greenfield-Central High School in Greenfield, Indiana with its Special Recognition award. This award is presented to an individual who has established a sustained record of outstanding service to the field of technology education. To qualify for this award, an individual must have worked on a variety of projects, written and published about technology education, and made contributions in a variety of ways to the field of technology education. Nominees must be members of ITEA. The award was presented during the Awards Luncheon at the ITEA 68th annual conference in Baltimore, Maryland.

For more information regarding the Special Recognition Award, contact the International Technology Education Association, 1914 Association Drive, Suite 201, Reston, VA 20191-1539; (703) 860-2100; fax (703) 860-0353; itea@iris.org; www.iteawww.org.
